RICHMOND BY-LAWS.

LULU ISLAND LOCAL IMPROVEMENT BY-LAW.

A By-Law to raise by way of loan the sum of \$50,000 for the purpose of Dyking and Draining the eastern portion of Lulu Island.

WHEREAS a majority in number of the owners of property on Lulu Island lying to the east of Road No. 5, according to the last Revised Assessment Roll, being for the year 1890, have petitioned the Municipal Council of the Township of Richmond to take the necessary steps under the authority conferred on Municipal Councils by Section 98 of the "Municipal Act, 1889," and the Acts amending the same, for dyking and draining that portion of Lulu Island lying to the east of said Road No. 5;

And whereas the Council of the Municipality of Richmond have procured the services of Garden, Hermon & Burwell, Provincial Land Surveyors, to examine the locality proposed to be dyked and drained, and to report on the feasibility of the scheme;

And whereas said Garden, Hermon & Burwell have examined said locality and have reported, recommending the construction of said work;

And whereas said Garden, Hermon & Burwell have prepared plans and estimates of the work and have made an assessment of the real property to be benefited by such dyking and draining, with the proportion of benefit to be derived by such dyking and draining by every lot or portion of lot, as hereinafter set out;

And whereas said Council is of opinion that said dyking and draining are desirable and that a loan should be raised for that purpose, to be paid with interest in twenty years at furthest from a day hereinafter to be named;

And whereas the sum required for the purpose aforesaid is fifty thousand dollars;

And whereas a special rate upon the lands to be benefited is to be assessed and levied annually for the payment of the interest on said loan and for the crea-

tion of a sinking fund for the payment of the principal, as and when the same shall, respectively, become due; And whereas it will require the sum of two thousand five hundred dollars annually for the payment of interest, and two thousand five hundred dollars annually for the creation of a sinking fund, for the payment of the principal during the period in which this By-Law shall be in force and effect:

And whereas the present indebtedness of the Municipality aforesaid is \$30,000, on which no interest is in arrears;

Therefore the Reeve and Council of the Municipality of Richmond in Council assembled, enact as follows:

1. That the said report of Garden, Hermon & Burwell be adopted, and that the work contemplated therein be proceeded with, as far as may be found practicable, in accordance with said report, and that the property in the schedule hereto attached, and marked "A," (which said schedule shall be read with and form part of this By-Law), which property is to be benefited by such dyking and draining as reported on by the said Garden, Hermon & Burwell, shall be assessed by special rate or proportion as in said schedule set out for the payment of the costs of said work, and that the money for the constructing of such work be raised by loan as hereinafter mentioned.

2. It shall be lawful for the Reeve and Clerk of the said Municipality to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of Debentures, hereinafter mentioned, a sum not exceeding fifty thousand dollars (\$50,000), and cause the same to be placed in the Bank of British North America, Vancouver, B.C., to the credit of the Municipality for the purpose and with the object above recited.

3. It shall be lawful for the said Reeve and Clerk to cause any number of debentures, of not less than one hundred dollars each, to be issued; said debentures not exceeding in the whole the sum of fifty thousand dollars, and all such debentures shall be sealed with the Seal of the Corporation and signed by the Reeve and Clerk of the Municipal Council.

4. The said debentures shall be made payable in twenty years from the date hereinafter mentioned for this By-Law to take effect, at the Bank of British North America, Vancouver, B.C., and shall have attached to them coupons for the payment of the interest.

5. The said debentures shall bear interest at the rate of five per centum per annum from the date of sale thereof, which interest shall be made payable half yearly on the fifth day of May and fifth day of November, respectively, in each year until said debentures are paid.

6. For the purpose of paying said interest and creating a sinking fund for the repayment of said principal a special annual rate shall be assessed, levied and collected on the lands to be benefited, as per schedule hereto annexed.

7. That said rates shall be assessed, levied and collected in the same manner as taxes in each and every year until said debentures shall be paid off.

This By-Law shall come into force and effect on and after the 5th day of May, A.D. 1891.

This By-Law may be cited for all purposes as "The Lulu Island Local Improvement By Law, 1891."

Passed the Municipal Council this 11th day of April, A.D. 1891.
